## Property Details

Exuma is one of the most beautiful islands in the Bahama Island chains and is only minutes by flight time from the USA and other Caribbean islands. The island is made of many cays and smaller islands, but this property is located on the main land Exuma. This unique property offers tranquil views of the beautiful sandy beaches and is only minutes from the Exuma International airport, George town shopping area and the Sandals resort. The property is zoned for residential single homes and development or can be sold as a package for that creative developer to sell packages to potential clients. All lots are located with access on the main road and have access to all utilities inclusive of water, light and telephone. Make an offer on this wonderful opportunity of a life time and start construction on your private home or vacation property today.
