## Property Details

Located on what is known as the Caribbean sea, or the Bight side, very close to lovely Rainbow Bay beach is situated a very pretty, solidly built concrete home called Carib Breeze. The main section of the house is three bedrooms with 2 bathrooms and an attached garage. However, there is also a wonderful, unfinished apartment which would sleep at least 2 more people with 1 1/2 bathrooms. Carib Breeze has been built to display glorious views of the turquoise ocean from the Great Room and all three bedrooms. On entering the Great Room, one sees soaring 12 foot ceilings made of cyprus wood which gives an open and airy feel. Carib Breeze has a strong tropical feel inside and out. The kitchen, with an island for preparing food, is fully stocked and there is plenty of room for relaxing or eating in the Great Room which is open plan. Leading to the master suite is a corridor with 2 bedrooms and on the opposite side is the bathroom and linen closet with plenty of storage.
