Property Details

Life on Windermere Island is a world unto itself, encircled by spectacular pink sand beaches and Savannah Sound. A private island subdivision awaits you beyond the security of the 24 hour watchman at the gatehouse after you cross the bridge from Eleuthera. Windermere offers finished lots ready to build with electricity, public water and other services. The New Club at Windermere on the island is available only by membership. Members can enjoy dining, tennis, and a heated pool. Windermere Island is a popular enclave for those who treasure privacy, the crystal aquamarine waters of the Bahamas and early morning walks on an endless pink sand beach. This offering of lots 165 and 166 as a double lot creates an extra wide setting for that expansive island home you dream about. This double lot is a winning combination including .95 acres with 240 feet on Windermere Island Road with elevations reaching up to 45 feet. What a great opportunity to catch the breeze on a peaceful evening from your new island home designed just for you - by your architect.
