Property Details

An Englishman's home is his castle and the baronial "Ascot House" is most definitely no exception. With magnificent, rounded, twin balconies on both sides of the back of this imposing home, Ascot House, over-looks the pond and golf course. The sweeping double staircase is elegant and the spectacular high ceiling with windows make the sitting room airy and bright filled with natural light. This spectacular 6-bedroom, 6.5-bathroom, home is perfect for a large family or for persons who like to entertain. The very large dining room off an open plan kitchen evokes thoughts of gatherings around the family table. Ascot House sits on a pond with a large variety of wildlife, in the span of an hour you can watch a heron catch his dinner, turtles swim by and all sorts of fish jump sending ripples across the pond and lapping on the grassy verge. This half-acre lot enjoys tranquil views of the pond, golf course and ocean. Breakfast on the balcony is a must.
