Property Details

This is a derelict home almost totally destroyed by hurricane Dorian as were many properties in the area. Many former residents have rebuilt and are slowly coming back to live there. This property is next to boat basin and for the avid fisherman it is convenient for the boats and fishing gear. It is also very close to the new bridge that connects the town to the area so it is convenient if someone works to harbour, airport and the downtown. At this selling price only the value of the land is represented thus making it a very good buy.
