Property Details

Incredible! Unbelievable low-priced Pinewood home! Call the police! This 3-bed 1-bath home cannot be priced so low! WOW! Plus, it is elevated & it will not flood here! It is very hard to find raw land priced so low, much less a whole home! There must be a typo! The people who priced this home must have been drinking something! Yes, it needs a little TLC, but after you fix it up & install your electronic gate, and plant your lawn and flower garden, this shall your castle! This home is very close to churches, schools, parks, police station, restaurants, beauty shops, barber shops, pharmacies, food stores, busses, and much more. This home will be gone in a few days! Hurry before it is too late!
