Property Details

Shoreline is a prestigious oceanfront gated community of 76 luxuriously appointed homes. Enjoying features such as owners club house, three tennis courts, 8 community pools, one of which is endless infinity pool that is designed to look as though it flows into the ocean, this development is perhaps one of the nicest properties not only on Grand Bahama, but in all of the Bahamas. A large man- made lake with a flowing fountain as well as lush tropical vegetation throughout the development is yet another beautiful feature the property has to offer. All the homes are elevated high above sea level and are sharing similar features. This beautiful home was built in the first phase of the Shoreline Development. It is an ideal vacation home, retirement home or an income producing property. The community is well established and very popular with both vacation home owners and local or international professionals with International School a minute away. Very popular executive rental.
