### Property Details

With unquestionably the best ocean views on New Providence, this recently updated 4 bed 4.5 bath has it all. Incredible views from both the main living area via a sweeping oversized verandah as well as from the master bedroom and swimming pool deck. Very few homes in new providence have the ability to have a stunning oceanfront setting as well as have a dock capable of having a boat lift. The few homes located on the ridge have this ability with great elevations of over 15 ft and a direct west view that will give you incredible sunsets every day. The home is set up with the main living areas upstairs with high vaulted ceilings and wall-to-wall windows and doors facing the sea. The main living room and dining area are open with a contemporary kitchen. The four bedrooms are located downstairs with the master having its own sitting area overlooking the pool deck and the sea beyond together with a large ensuite bathroom complete with a bidet. The three guest bedrooms are well appointed and are ensuite as well. The grounds are fully walled and gated.
