Property Details

This 1.4 acre lot located on Stocking Island, which is adjacent to the main land of Great Exuma-George Town in the beautiful Exuma cays, is stunning! This property has an elevation up to 65', assuring spectacular panoramic view of the Atlantic Ocean, beautiful Elizabeth Harbour and the mainland of Exuma. With 113 feet of beach frontage on the Northern side of the island and 113 feet on the harbor side, where there is a protective beach cove and elevations up to 45 feet, this is truly a great deal. You have the best of both worlds with this property - one can snorkel the underwater rock pools, find amazing shells on the ocean side of the island or laze in a hammock under the Casuarina trees.
