Property Details

Suffolk Court is an oasis in paradise, surrounded on three sides by water. It is located in the Bahamas' second city of Freeport on Grand Bahama Island. Both buildings face directly onto the water and enjoy private boat docks. They are also nestled around a pool and jacuzzi area in a lushly landscaped setting. The buildings themselves are five storeys high (with an elevator) and are designed in a Island Colonial style with soft pastel colours. Beneath this gentle look, concrete and steel construction - with impact-rated doors and windows, offer state-of-the-art storm protection. You are, after all, living in the tropics. All condos feature balconies, great rooms and of course, stunning water views as standard. This unit provides 2,251 square feet with masses of storage and a large covered terrace straight off the master suite. Imagine sipping your morning coffee there... In this gated community there is plenty of private parking available - even private docks to moor your boat!
