Property Details

Paradise Found is one of these rare homes built in the 1840s and standing the test of time to this day. Built by local craftsmen using only locally sourced limestone block and hardwoods, Paradise Found has been lovingly maintained and restored to seamlessly blend the best of the past with the most modern conveniences of the present. Standout features of this three-bedroom, two-bathroom home include the original kitchen and hearth in the rear garden that serves as an intimate courtyard dining area, and a living room that extends onto an outdoor deck providing additional outdoor entertaining space. Tucked away in the rear of the property is a charming one-bedroom guest cottage in need of renovations but would be an ideal income-producing rental or extra privacy for guests. Unique location with direct views of sunsets and clear waters of Governor's Harbour. Easy walking distance into Governor's Harbour offering up numerous restaurants, bars, boutiques, services and amenities.
