Property Details

Farmers Hill area is located roughly 6 miles from the Exuma international airport and roughly a 5-minute drive from the amenities of the renowned Sandals Resort, which includes a marina, golf course and spa that are open to the public. This exclusive property is accessed from the main road through its front gate along its own paved road, making it very private as there were only 6 lots that were originally sold and of them 2 large modern homes have been built upon. Having utilities available, beach front and elevations of approximately 40 feet that over-looks the spectacular colors of the ocean and views of the neighboring cays, it is the perfect place to build a family get away. This wonderful half acre waterfront lot is truly exceptional!
