Property Details

Approximately 16 acres of vacant land just before the extreme west end of Rolleville on Queens Highway. The parcel is elevated. It has approximately 1,000 linear feet of beachfront on the north side, with the same applying to the south side, except the south, as can be seen from the photos, is separated from the beach by Queens Highway. Either side has breathtaking views. The land is best suited for a luxury resort and or luxury multifamily development to attract a demographic similar to Lyford Cay in Nassau. With permission, it can have gated access which affords a high level of privacy by restricting access to a certain point. The area is quiet and serene with almost no vehicular traffic. It can best be described as almost, if not, the best parcel of land remaining in Exuma.
