Property Details

Beautiful views from this 3 bed, 3.5 bed unit. Lushly landscaped seven acres of waterfront property afford residents a level of comfort rarely found in an island condominium community. A gatehouse, manned around the clock by security personnel, and private courtyard entrances to each building ensure privacy. In addition to beautiful landscaping and a secluded white sand beach, residents have the option of choosing to swim in two different swimming pools - one, an oversized freeform zero-entry pool, and the other, a heated pool. The pool area also offers a cabana for private functions and entertaining, as well as two barbeque areas and a strategically located gazebo for watching spectacular evening sunsets over the water.
