### Property Details

In one of the most well sought after neighborhoods, Bahamia, this 4,000 sq ft home is waiting for you and your family. With 10 foot ceilings, crown mouldings, and fans throughout this 4 bedroom and 3 bath home has a lot of extra space, or room to breath as we call it, and it will fill all your needs and more. A very spacious foyer in the middle of the entrance is perfect for a round table with a vase of fresh flowers from your garden. There is a nook with countertop space in front of the kitchen overlooking the backyard, for your informal meals and it extends to the TV room with a door to the back yard. About one third of the space in the house is taken by the master bedroom suite with an en-suite bathroom fit for a 5 star hotel. 2 A/C units service the two separate areas of the house so when the kids are not home you can save on electricity expenses. There is an alarm system as well as cctv system installed. The property itself is oversized, fenced-in in 3 sides and walled in the front so you may plant all your favorite trees along with flower gardens and vegetable gardens. Bahamia is a 5 minute drive to the center of town, the beach as well as the harbour and a 10 minute drive to Lucaya and airport.
