Property Details

The Lake House, so aptly named, overlooks a large inland blue hole with tides which could also serve as a large natural swimming pool for the surrounding properties. There is a large open patio facing the lake where one can see large green turtles, small ducks and other birds. The home features 3 structures connected by a covered breezeway. The first structure houses the kitchen, living and dining area. The second structure houses 2 bedrooms and 2 bathrooms. The third structure houses the 3rd bedroom and bathroom which could easily be made into a guest cottage or efficiency apartment. This is a great location for those who enjoy nature. Take a kayak or inflatable and enjoy moments floating around the lake. The Stella Maris community features a clubhouse with restaurant and bars, airport and marina. All just a short distance away.
